

Make their holidays

MERRY & BRIGHT

with Operation Holiday.

With more families falling behind due to the pandemic, **Operation Holiday is more important than ever.** Make a gift today, and together we can help thousands of our low-income neighbors get through the year's coldest months.

Please note we can only accept the following items this year:

- *New children's coats (size 2T - Youth XL)*
- *New or handmade children's winter accessories*
- *New or handmade blankets*
- *Nonperishable foods such as soup, proteins, peanut butter and cereal*
- *Monetary gifts, which are most helpful as they allow HK to purchase in bulk*

If you or someone you know needs assistance this holiday season, you can apply now through Nov. 20 at www.HumanKindWichita.org/Holiday.
